

VETERAN (1) 1. Hannington's CH/INT/BEL/CH/NL/ESP CH Boudivella Osca VW. This is an old favourite of mine. I fell in love with this chap as soon as I saw him and thought he was gorgeous. He is now 9 years old and still excellent for his age. He really does the breed proud, both in this country and abroad. He has been used by the club as an example of what a Glen should look like. A very worthy champion, still in excellent structure, health, condition and coat. Excellent conformation and movement. His coat is a lovely 'eye catching' colour with harsh outer coat and soft undercoat, completing the picture. BEST DOG & BEST OF BREED.

PUPPY BITCH (1) 1. Hannington's Boudivella Fire Cracker. Aptly named! 6 months old and quite immature in some ways but a very sweet and pleasing baby. Good width of head and powerful foreface, with well-defined stop. Correct, strong mouth, with good jaws. Brown, appealing eyes and super ears. She was very well made and presented a lovely outline. Hindquarters were strong and well-muscled. She moved freely, even with a different handler. One to watch for the future. I was delighted she came Fourth in the Terrier Puppy Group. BEST BITCH & BEST PUPPY.
