

## GLEN OF IMAAL TERRIERS- BELFAST 21

Many thanks to the officers and committee for the appointment to judge several breeds at this show. This was my first trip to Ireland and it wont be my last. An enjoyable experience, made possible by the secretary, his hard working committee and helpers.

**1ST AMHARD MANHATTAN JUN CH WW18 (NDL) BENELUX (NDL) JW18 (MR M & MRS A HARDY)**

This dog is so well balanced and pleasing to go over, typical of the breed. I liked his head & skull, balanced with a powerful Foreface, good proportions and ear set. Well bodied and angled throughout, with bone and substance. Moved steadily when he got going, with propulsion from his muscular well made rear. Sporting his best thick harsh jacket today, with plenty of undercoat. CC & BOB

**2ND IR CH ABBERANN COSMIC COWBOY (MRS A WHITE).** Another quality exhibit and splitting hairs with these 2. Very similar throughought, however this one was more compact, but not sporting the quality jacket of one, sadly lacking in any undercoat today, which cost him top spot.tidy on the move. RCC.

**Post Graduate - Bitch. Entries: 1 Absentees: 0**

**1ST BALLYFOYLE KNOCKALONG LADY (MR E JENNINGS).** 18 mth. This little lady was rather reluctant to perform today that said she was of a good size and type, balanced throughout, well angled rear and sporting a tidy Brindle thick jacket.
