

The Glen of Imaal Terrier Association Championship Show – 27th November 2022

Special Awards Classes

It was a pleasure to judge these classes and I would like to thank the Officers and committee for inviting me and the exhibitors for such a fantastic entry.

Junior Dog or Bitch (7-1)

- 1 Kirkwood : Cazcade Betty Boop – What a lovely puppy, she came into the ring saying “I’m here”. Good for size and has a lovely outline, strong but feminine head of good width, round eyes, well set ears and powerful jaw. Muscular neck into well laid shoulders, nice rise of topline to tail which was well set on and wagging happily, she moved freely around the ring with drive from behind.... one to watch.
- 2 Hannington : Mo Stor Ailin of Tatlet Jacks Clan at Boudivella – Another happy and confident youngster which bodes well for the breed, has good eye shape and colour giving a lovely feminine expression, strong teeth with good dentition, good for size and shape, good width of chest and well sprung ribs, liked her topline and strength in loin, moved really well.
- 3 Saletti : JojasAisling Pixi
- 4 Withers : Pajantick Darknight
- 5 George : Romainville Class’N Sassy

Post Graduate Dog or Bitch (3)

- 1 Bailey : Zippor Brenden – A really smart dog I was surprised to see in the post grad class. He has a good outline and conformation. Strong head of good width, ears of good size and well carried, round eye of good size and colour, super strong and clean teeth, plenty of strong bone, strong muscular neck, good topline and super tail set, strong powerful thighs giving drive around the ring. The handler needs to have a bit more confidence to show him off to his full potential.
- 2 Lark-Jones : Boudivella Arlo - I have to say this boy has the most appealing face when he looks at you. Good head with strong muzzle and super teeth, eyes could be a touch darker, good front, well sprung ribs, good rise of topline, powerful rear end and moved well, his coat not in perfect form today.
- 3 Harley : Amhard Peanut Brittle -

Open Dog or Bitch (10-2)

- 1 Kirkwood : Jeonty Kylo Rew at Cazcade – A strong and substantial male, in hard condition, masculine head of good width, good stop, strong jaw and big teeth, has good eye shape and colour, strong muscular neck, good width of chest, good topline and tail set, in very good coat with harsh texture. Moved freely around the ring.
- 2 Hannington : Boudivella Osca – A powerful male with excellent bone and substance, he belies his 7 years of age, lovely head with good width of skull, well set and well carried ears, super stop, powerful jaw with good dentition. Strong muscular neck into well laid shoulders, good topline and tail set, powerful thighs and good rear angulation, in good coat of good texture.
