GLEN OF IMAAL JUDGE BATH 21

A small entry.

LD (1)

1 Hardy's Amhard Quick Fire. A wheaten of good size, good head with a strong muzzle, lovely eye, well boned front, strong quarters, lovely coat texture carrying a good body.

OD (2)

1 Hannington's Boudivella Osca. A wheaten of good size and well balanced shape, well boned front, pleasing topline and well set tail, typical in head with a strong muzzle, correct mouth, won CC.

2 Hardy's Amhard Manhattan. This dog is so well balanced and pleasing to go over, typical of the breed but was not at all happy on the move. I liked his head proportions and ear set. RCC.

PGB (2)

1 O'Grady & O'Grady's Amhard Quick Sand. I found this young bitch very pleasing to go over, yes she needs time to mature and fill out but the sound construction is there. I felt she was the best prospect in this entry so won CC and BOB.

2 Hannington's Boudivella Silver Spirit. Another bitch who decided not to give of her best on the day, however she too has good basic construction so could not be denied RCC.
